**HIS EXCELLENCY THE GOVERNOR:** Honourable Chairman, Honourable Speaker and Honourable members…..,

(ಗೊಂದಲ)

(ಶ್ರೀ ಗೋಪಾಕೃಷ್ಣ ಬೇಳೂರುರವರು ಭಿತ್ತಿ ಪತ್ರವನ್ನು ಪ್ರದರ್ಶಿಸುತ್ತಿದ್ದರು)

**ಶ್ರೀ ಪಿ.ಎಂ.ನರೇಂದ್ರಸ್ವಾಮಿ (ಮಳವಳ್ಳಿ):** ಘನತೆವೆತ್ತ ರಾಜ್ಯಪಾಲರೆ,... ಸದನದ ಘನತೆಯನ್ನು ಎತ್ತಿಹಿಡಿದಿದ್ದಾರೆ.....

(ಗೊಂದಲ)

**HIS EXCELLENCY THE GOVERNOR:** It gives me great pleasure to welcome all of you to this joint session of the Karnataka Legislature.

**ಶ್ರೀ ಶಿವರಾಜ್ ತಂಗಡಗಿ(ಕನಕಗಿರಿ):** ಘನತೆವೆತ್ತ ರಾಜ್ಯಪಾಲರೆ...

**HIS EXCELLENCY THE GOVERNOR:** I am very pleased to have the opportunity to serve the people of Karnataka....

**SRI. V.R.SUDARSHAN (M.L.C):** Your Excellency, there is no good governance in the State. You are addressing the Legislature. There is no good governance in the State. The Government has failed to fulfill the aspirations of the people, your Excellency. Shame, it is a matter of shame.

**HIS EXCELLENCY THE GOVERNOR:**

1. I am very pleased to have the opportunity to serve the people of Karnataka and work for the welfare of the citizens of the State. Over the last three and a half years, my Government has been tirelessly striving hard to provide productive and efficient governance to the people. I urge you all to move ahead into this year with a strong resolve of giving even more accountable administration.
2. Over the last one year, we have successfully overcome many hurdles. We have made serious efforts to accelerate the development of modern Karnataka that we are building through Vision 2020. I am glad to share

with you the my Government over the last year has made rapid strides both in terms of governance, development and people-friendly schemes.

3. In spite of change in the political leadership, the Government is pursuing the development agenda and I compliment the new Chief Minister and his Cabinet colleagues for ensuring a smooth transition and continuity. I also appreciate both the ruling and opposition parties for their active participation and productive discussions in the Legislature Session held in December, 2011.
4. The recent Legislative Session witnessed passing of various Bills on issues like Guarantee of Services to the Citizens, Prohibiting Land Grabbing, Regulating Stone Crushers, Establishing Maritime Board, etc.
5. I would like to particularly congratulate the Chief Minister and the entire Legislature for unanimously approving the Guarantee of Services to Citizens Act. This is a land mark legislation to enable better governance and to have an effective grievance redressal mechanism. I am confident that the legal framework will go a long way in ensuring timely delivery of services to the Citizens.
6. Karnataka has yet again witnessed a peaceful year. The law and order situation has been very good and the State has not witnessed any communal incidence. Our

Police force has done an excellent job in maintaining peace and controlling the naxal menace.

7. Karnataka was not fortunate enough to get adequate rainfall during the khariff season of 2011. The State witnessed conditions of drought in September, 2011. The highest deficiency (upto 24% of rain fall in the month of September) was the worst ever in the last 40 years. This has affected large tracts of land leading to low crop yields. The State was however quick to respond to this situation and declared 99 taluks of 23 districts as "drought affected" and took immediate measures. The State has also submitted a memorandum to the Government of India seeking central assistance of Rs. 723 crores.

**COMFORTABLE FINANCIAL STATUS:**

8. I am very happy to state that the financial status of my Government is very sound. The slowdown of global economy and the moderation of growth of the country as a whole, in the current year has thrown up challenges to the State economy

9. Even in such a scenario, Karnataka State has managed to maintain a very healthy tax revenue growth of over 20% coupled with over 15% growth in plan expenditure this year. The State has also continuously maintained a revenue surplus in the last four years. The borrowings of the State are within the permissible fiscal prudence

norms. My Government is confident of achieving the approved Plan size for the year 2011-12 in full measure.

**FARM SECTOR:**

10. The State had introduced for the first time, an Agri Business Policy with the objective of promoting more capical investments in agriculture and allied sector. I am very happy to inform you that, as promised in my last year's address to the joint session, for the first time in India, the Global Agri Business Investment Meet was held on December 1st and 2nd 2011 in Bangalore. This meet resulted in the signing of MoUs worth Rs.60,000 crore with various investors. In addition, Rs.50,000 crore credit facilities have also been tied up with Banks. Such large investments in the farm sector would enable provision of better infrastructure and logistic facilities to boost growth in agriculture, horticulture, animal husbandry and fisheries sectors. Karnataka was also the first State in the country, to introduce a separate budget for agriculture and allied sectors with 52% increase in the budgetary allocations over the previous year. Several new schemes have been introduced in the year with the objective of benefitting lakhs of farmers.

11. Keeping in view the supporting agro-climatic conditions in the State, special emphasis is given for Horticulture Development. Rs. 125 crore is being spent under the

National Horticulture Mission scheme alone. This would create additional area of 18,400 hectares under horticulture crops, rejuvenate 2800 hectares of garden area, and 320 hectares under protected cultivation. Karnataka stands first in export of flower crops and gherkins.

**IRRIGATION SECTOR:**

12. My Government has declared the period 2011-2020 as Irrigation Decade. Subsequent to the Krishna Tribunal Award-II, the Government has decided to take up an ambitious programme to utilize the Krishna water and administrative approval has been accorded to a total project cost of over Rs. 17,000 crores.

13. During this year, 57,000 hectares of fresh irrigation potential will be created. During the current year, 1.12 lakh hectares of water logged, saline and alkaline affected areas have been reclaimed. Centre for excellence under Integrated Water Resource Management (IWRM) scheme will be established by re-organizing and revamping other existing institutions. This centre for excellence will help in formulating IWRM principles, which will benefit the farmers of the State.

14. To protect and develop the traditional tanks across the State, the Minor Irrigation department, has focused on 631 tanks with the support from 13th Finance Commission's grants. My Government has also

initiated several lift irrigation systems to benefit the SC/ST farmers.

15. In response to declining groundwater table and its quality, and to effectively monitor its utilization, the State has enacted Karnataka Ground Water (Regulation & Control of Development and Management), Act, 2011.

**CO-OPERATIVE SECTOR:**

16. My Government continues to support Self-Help Groups through provision of loans with reduced interest rate at 4%, through co-operative institutions. At present 12,562 women's groups are working in the State. Together, they have save Rs. 384 crore and Rs.228 crore loans has been advanced to them, till November 2011. Under the Yeshasvini Co-operative Farmers Health Care Scheme, nearly 33 lakh members have been covered.

**FOREST AND ECOLOGY:**

17. The draft "State of Environment Report 2011" has been prepared and placed for public comments. To create awareness among school children on the environmental issues, 7432 Eco-clubs have been formed in various High Schools of our State. The State Bio-diversity Board has published 214 People Bio-diversity Registers.

18. During 2011-12, 6 crore seedlings have been planted in 65,000 hectare area and 1.5 crore seedlings have been distributed to the farmers and public. Daivi Vana

nurseries are being established and the seedlings of religious importance, endangered species and local flower and fruit yielding plants will be distributed to local population. I am happy to say that Karnataka State has 300 tigers and occupies first place in the country in tiger population.

**RURAL DEVELOPMENT:**

19. The State Government has accorded highest priority in implementing Mahatma Gandhi National Rural Employment Guarantee Scheme. Till December 2011, more than 54 lakh households have been issued job cards and 200 lakh person days of employment has been generated.

20. Under the Pradhana Mantrai Gram Sadak Yojane, 1,091 Km roads have been formed all over the State. Habitations with more than 2000 population have been connected with all-weather rural roads. I am happy to let you know that Karnataka stands second in the country in implementing PMGSY. The Gram Swaraj Project is being implemented to improve the service delivery mechanism of Gram Panchayats, particularly with respect to the management of public resources and the delivery of services that the local people prioritize and decide.

**HOUSING FOR THE POOR:**

21. During the current year, some 52,000 houses have been built across the State.
22. Construction of houses with infrastructure facilities in slum areas has considerably improved in this year. In Bangalore, 18,180 houses covering 58 slums and in Mysore, 8,522 houses in 67 slums are in progress. Under Integrated Housing and Slum Development Programme, construction of 17,237 houses with infrastructure facilities has been under taken. Under Basic Services to the Urban Poor Project, construction of houses with infrastructure facilities has been taken up in the slum areas of Bangalore and Mysore.

**IMPROVEMENT IN PUBLIC HEALTH:**

23. I am glad to let you know that due to concerted efforts of my Government, health indicators have improved considerably: Infant mortality rate has been reduced from 45 to 39; maternal mortality rate is down from 228 to 178; total fertility rate from 2.07 to 2.0, which is less than the target of 2.1 set by the Government of India, to be reached by the year 2012. The institutional deliveries have also improved from 65% to 93%.
24. To ensure availability of medical officers and other staff in Government hospitals in rural areas and to regulate transfers, the Karnataka State Civil services (Regulation of Transfer of Medical Officers and Other Staff) Act, 2011 has been enacted.

25. Till December, 2011, Arogya Kavacha Scheme has covered 4.40 lakh, and Vajpayee Arogya Sri Yojane has covered 19,000 persons.
26. Sophisticated medical equipments are being supplied to all Medical Colleges and teaching institutions and attached hospitals. Trauma Care Centre has been established at Belgaum.

**SOCIAL WELFARE:**

27. To ameliorate the economic and social conditions of the people belonging to Scheduled Caste / Scheduled Tribes and Backward Classes, the Budgetary allocation during the year 2011-12 has been increased by 24% (i.e. Rs.2377 crores). Development of Scheduled Caste and Scheduled Tribes colonies with proper infrastructure facilities has been undertaken. During this year, the pre-matric Students Scholarship has been revised from Rs. 75 to Rs. 250 per month.
28. Construction of Dr. Ambedkar Bhavan, Dr. Jagjivan Ram Bhavan, Maharshi Valmiki Bhavan and other community halls are being taken up. Loan facility upto Rs. 2 crores at 4% rate of interest is being provided to small and medium entrepreneurs belonging to SCs/STs through KSFC. Subsidy assistance has been given to 61 community halls / hostels by different communities belonging to Backward Classes. Under the Ganga Kalyana Scheme, 3,362 borewells have been electrified.

29. Through Minority Development Corporation, around 20,000 students have been benefitted during the year 2011-12. To facilitate cultural and social programmes by the minority communities, in every District a Community Hall or Shadi Mahal will be constructed. For the first time, to enable community development works of Christians, Rs. 50 crores have been separately provided.
30. My State has taken special measures to protect the wakf properties from encroachments. Across the State, 1,200 wakf properties have been surveyed and their land records are being computerized. During 2011-12, 7,335 Haj pilgrims were supported. For construction of Haj Ghar in Bangalore, the State Government has provided Rs. 40 crores.
31. More than 35 lakh beneficiaries have been covered under various Social Security Pension Schemes at a cost of Rs. 2292 crores.

**WELFARE OF WOMEN:**

32. For the first time in India, new pension scheme has been started for anganwadi workers / assistants in Karnataka. Ex-Devadasis have been rehabilitated under Special Component Plan in all districts. The scheme of giving loan facilities to street vending women has commenced in a few cities.

**IMPROVEMENT IN EDUCATION:**

33. Karnataka has made rapid strides in education sector. The State Level Institution for School Leadership in Educational Planning and Management has been established at Dharwad to propose administrative reforms. 304 Higher Primary Schools have been upgraded to High Schools by starting 9th Standard during 2011-12.

34. Free computers were distributed at the rate of 3 students per District, who have secured highest marks in 2011 in the 10th Standard examination.

35. Separate toilets for boys and girls are being constructed in all Government Primary Schools. Special emphasis is laid during 2011-12 for this programme under Pancha Soulabya Schame covering playgrounds, drinking water, electricity and other facilities.

36. Karnataka is far ahead of other States in taking initiatives on knowledge front. The Karnataka Knowledge Commission, headed by Dr. Kasturirangan, Member, Planning Commission has over the last three years made several recommendations, conducted research studies and launched a few projects. Its flagship programmes Jnana Fellow, is an innovative intervention introduced to enhance the interface between Government and young professionals. Today, 19 Jnana Fellows have been assigned projects by 8 Government departments. Another milestone has been

the launch of KANAJA an e-portal dedicated to enriching the Kannada language as well as knowledge from other disciplines.

37. For the first time, Janapada University in Haveri District and Post-graduation Centre in Kushalnagar was established. Post-graduation courses have been started in 74 Government Colleges.

**BANGALORE DEVELOPMENT:**

38. The much awaited Namma Metro, the first in South India, commissioned its first reach of 7.5 Kms on October 20th in Bangalore. It got tremendous response from public. Every day, on an average 30,000 people are using the Metro. The Northern Corridor of 11 Kms with 10 stations, from Peenya to Sampige Road is scheduled to be commence its operations by December 2012 and the entire Phase-1 is expected to be completed by December 2013.

39. The Bruhat Bangalore Mahanagara Palika has improved and asphalted 2280 km of road and another 35 km roads have been concreted. In addition, 12 pedestrian underpasses were constructed and 656 parks were improved.

40. To ease the traffic, Bangalore Development Authority has taken up construction of grade separators at 12 junctions in the outer ring road from Central Silk Board to Hebbal flyover and up to Tumkur Road Junction to

create a signal free corridor for about 36 km stretch. BDA has also initiated the process to construct 14,000 houses for the economically weaker sections.

41. To retain and rejuvenate centuries old water bodies across the city, rejuvenation of 11 lakes has been completed and another 32 lakes are in the process.

**OTHER URBAN AREAS:**

42. For the first time in the country, on a pilot basis, in 5 cities, Urban Property Ownership Records on a GIS platform are being created. This would enable the property owners to have authentic records of their properties with geo reference. In a phased manner, this will be extended to all towns, including Bangalore City.

43. Computerization of basic municipal functions has been prioritized in 164 Urban Local Bodies. Additionally, Property Tax Information System is also under progress. For better planning, Satellite imagery is being used to map 27 urban areas. Chief Minister's Small and Medium Town Development Programme has been implemented in 211 Urban Local Bodies.

44. To enable better access to water supply and drainage systems across the State, the Karnataka Urban Water Supply & Drainage Board has undertaken 45 water supply and 37 underground drainage schemes under the JnNURM. The Board has taken up remodeling of existing distribution network, automation and integrated

management system of Mysore City. Under the Kannada Ganga Scheme. 16 towns have also been selected to implement continuous water supply.

**IMPROVEMENT IN INFRASTRUCTURE:**

45. My Government has been taking strong measures to improve infrastructure facilities. Expansion work in the Bangalore International Airport will increase passenger handling capacity to 17.5 millions per annum. On the other hand, minor airports at Shimoga, Gulbarga, Bijapur and Hassan are being developed on PPP basis through private operators. Both Gulbarga and Shimoga airports will be operational by July 2012. During this year, 12 railway projects have already been taken up on a cost sharing basis. To encourage, more public-private-partnership based projects, nearly 12 departments will get separate transaction advisors before the end of this financial year.

**ENERGY SECTOR:**

46. It is unfortunate that new projects for power generation have not fructified due to inordinate delays in Environmental clearance and allotment of coal linkages. However, my Government has, from time to time, been purchasing as much power as possible to meet the increasing demand.

47. In order to increase the efficiency of the network and to reduce the technical losses, Government has been

implementing a few programmes like replacing the conventional agricultural pumps with high efficiency pump sets. Smart Grid is the latest technology in which the energy generated and the consumption can be monitored. Electronic City in Bangalore has been identified for the pilot project.

48. Nirantara Jyothi Scheme aims at providing 24 hours of quality power supply to rural households and fixed hours of power supply to irrigation pumpsets. The scheme is being implemented in 126 taluks at a total cost of Rs. 2213 crores. First phase includes 70 taluks and second phase includes 56 taluks. Under Belaku Yojane, the incandescent bulbs are being replaced by CFLs. By these measures, we hope to save around 2000 MU.

**INDUSTRIAL SECTOR:**

49. Encouraged by the successful Global Investors Meet held in 2010, my Government is planning to hold the next Global Investors Meet on 7th and 8th June 2012. The aim is to generate one million jobs by attracting large scale investments across various sectors and to improve the State's GDP level.

50. Karnataka has initiated different measures to conserve natural resources and its sustainable development. In order to curb illegal mining and transportation of iron ore, my Government has framed separate Rules. To

prevent illegal sand mining, the "New Sand Policy 2011" has been implemented. To regulate the business relating to crushing and processing of stones, "The Karnataka Regulation of Stone Crushers Act, 2011" has been enacted recently. e-Permit System has been implemented for the first time for all major minerals in the State.

## EMPLOYMENT AND LABOUR:

51. My Government has initiated some innovative measures to promote skill training and job generation. Two Multi-Skill Development Centers, one each in Bangalore and Gulbarga, have been established with German support. 76 it is have been upgraded under the public-private partnership. Six mega job fairs and 58 mini job fairs have been organized through which 33,000 candidates were selected for skill training and 42,000 candidates have secured jobs.

52. For the first time in the country, Employment Exchanges have been converted into HRD Centres and 6 of them are functional in different cities. Nine special residential schools have been started under the National Child Labour Project. Under the Rashtriya Swasthya Bima Yojana, 4 lakh people have been covered during the year 2011-12. Karnataka is one of the few States, which is implementing New Pension Scheme like Swavalamban Scheme for the unorganized workers.

## TRANSPORT:

53. Karnataka State Road Transport Corporation continues to stand first among all the State Road Transport Organizations in the Country. For the first time in the Country, the Electronic System of Driving Test Track has been established in Bangalore. Till November 2011, 56 RTOs have issued 44 lakh Smart Cards in place of Driving Licenses. The ambitious Intelligent Transport System (ITS) project taken up under Sustainable Urban Transport Project of World Bank and Ministry of Urban Development, GOI, is being implemented at Mysore City with real time Central Control Station and extensive public information system which will be completed by April, 2012.

## ROADS AND BRIDGES:

54. Karnataka Road Development Corporation Ltd., has taken up improvement of roads to an extent of 630 Kms at an estimated cost of Rs. 1816 crores, under PPP, BOT basis and private co-financing. The Corporation has also taken-up 11 major bridge works at an estimated cost of Rs. 253 crores. Action is being taken to improve 1191 kms length of roads under the "Toll Collection Fund".

## IT / BT AND SCIENCE:

55. It is the policy of my Government to encourage IT parks across the State. IT parks in Shimoga and Gulbarga

are already under execution. Cyber lab was launched in Mangalore in July 2011. The Vision Group on Science and Technology, headed by Prof. C.N.R. Rao, is playing pivotal role in promotion and development of science education and research in the state. Schemes have been initiated to upgrade infrastructure facilities in science schools and institutions of higher science education. The Mangalore Planetorium will be ready by next year and the Karnataka State Natural Disaster Monitoring Centre at Bangalore is already functional.

**PROMOTING KANNADA AND CULTURE:**

56. The World Kannada Conference was successfully organised at Belgaum from 11th – 13th March 2011. Around 20 lakh people participated in these celebrations. The 4th Bangalore International Film Festival was successfully organized during December 2011. Ranga Mandiras at District level are being constructed to facilitate local cultural activities.

**GOOD GOVERNANCE:**

57. My Government is committed to good governance and various steps have been taken up in this regard. Recently, the Karnataka Guarantee of Services to Citizens Act, 2011 has been enacted and Rules are being notified. The Act will empower the citizen through

a "Right" based approach and enable transparency in administration and curb corruption and reduce public grievances. During Phase-1, 152 services of 11 Departments have been notified for this purpose. On 1st of March 2012, the pilot would be launched in four taluks. (one per revenue division) and one revenue office in Bruhath Bangalore Mahanagara Palike area.

58. Another major step is moving towards effective performance management. My Government has adopted, an outcome oriented approach to its functioning through preparation of Results Framework Document (RFD), as a tool to measure performance of various departments, on the lines of Government of India. RFD discloses to the public, the objective of the department at the beginning of the year and reports, related achievements at the end of the year.

59. In September 2011, Karnataka was the first State to set up a Karnataka Evaluation Authority which is an Independent Evaluation Office for all Government schemes and programmes. The Authority will supervise, facilitate, build capacity and handhold the departments for effective planning, monitoring and fine tuning the policies, programmes & schemes for result oriented and outcome based implementation of the programmes across all the sectors.

60. Karnataka has become a trend setter in e-procurement. Now it has been extended to 104 Departments / Organizations and the cumulative procurement is valued at over Rs. 87,000 crores. This process has resulted in reduction of over 10% in bid amount vis-a-vis the estimated expenditure. Over 21,000 suppliers/ contractors have registered on this platform.

61. Karnataka State Wide Area Network Project has provided data, voice and video services to 2,800 Government offices, covering 56 Departments. Bangalore-One Centre has now been extended to 75 centres in Bangalore City and 32 Karnataka-One Centres have been established across the State. "AADHAR" has been extended to 24 Districts of the State.

62. Several measures to enable improved benefits to public have been initiated. For example, anywhere registration of properties, issue of encumbrance certificate and certified copies of documents, has been provided from November 2011 in five sub-registrar offices of Bangalore Urban District. This will be extended to the entire State in a phased manner. A Special Phodi Andholan has been initiated. As a pilot, it is being introduced in 13 hoblis of 13 taluks of Mysore Division. This Scheme will be gradually extended to rest of the State.

## NATIONAL YOUTH FESTIVAL:

63. The National Youth Festival was held for the first time in Karnataka. I am happy to state that the event held at Mangalore between 12th to 15th January 2012 was an unprecedented success in terms of the participation, events and the splendid preparation. The efforts of Government have been warmly appreciated by the Government of India.

## AWARDS AND ACCOLADES:

64. It gives me pleasure to state that my Government has received several awards and appreciations over the last 1 year. Some of them are as follows:-

- The "Best City Implementation Award" under JnNURM – Integrated Housing and Slum Development Programme.
- Karnataka e-procurement project has been awarded Futuregov Award for 2010 for best business practices in Asia's public sector
- KSRTC has emerged as the best Transport Corporation in the country. It has won several awards and appreciations at National and International levels on account of latest fleet additions, world class transport infrastructure and use of Information Technology and Environmental friendly initiatives. It has been awarded Central Government's 1st National FIEO Telecom

Technology Award, Asia's Best Employer Award, and Award for Excellence by Ministry or Urban Development, Government of India four times in succession.

65. I would like to end by urging all the Legislators to play their roles constructively with the objective of formulation of people friendly policies. I seek the cooperation of all the Hon'ble Members in making Karnataka an even more prosperous, peaceful and progressive State.
